

Community Wildfire Resiliency Strategy

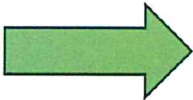

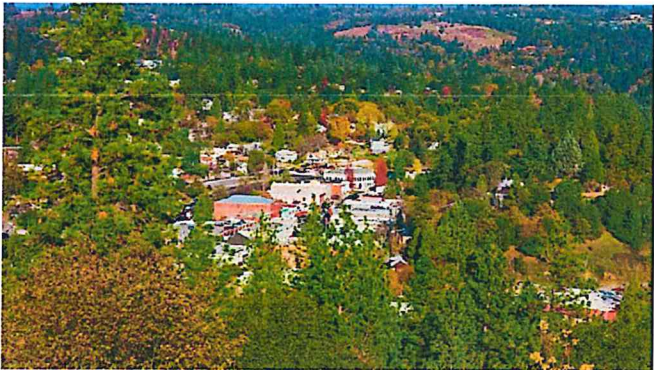

City of Placerville Community Wildfire Resiliency Strategy PUBLIC WORKSHOP

PLANNING FOR THE FUTURE

November 14, 2024
5:30-7:00 pm
City of Placerville Town Hall
549 Main Street
Placerville, CA 95667

The El Dorado County Resource Conservation District (RCD) is developing the City of Placerville Community Wildfire Resiliency Strategy to address wildfire risks. You are invited to participate in the planning process!

The El Dorado RCD seeks to develop, prioritize, and implement wildfire mitigation projects that achieve community wildfire resilience. This strategy will serve as a blueprint for reducing property damage and saving lives from the effects of future wildfire disasters in and around the City.

Join the El Dorado RCD for a public workshop and share your input on the development of potential wildfire mitigation projects.

The purpose of the workshop will be to share the project's goals and planning process. The public is encouraged to contribute their priorities. The community input will be added to the wildfire risk assessment and development of potential wildfire mitigation strategies. Please share this invitation with your friends, neighbors, and colleagues who may be interested in attending.

IF YOU HAVE QUESTIONS OR WOULD LIKE ADDITIONAL INFORMATION, PLEASE CONTACT:
Mark Egbert, District Manager at El Dorado County RCD
