Movie In The Park

MESSAGE FROM THE DIRECTOR

Dear Residents and Neighbors,

Summer in Placerville is here! We can't wait for you to dive into all the incredible programs, activities, and adventures. Whether you're exploring our historic Gold Bug Park and Mine, making a splash with swimming lessons at the Placerville Aquatic Center, or giving back through volunteer or sponsorship opportunities, there's something for everyone to enjoy.

To all my park-loving heroes, I'd love your help in keeping our parks at their best! I can't be everywhere at once (believe me, I've tried!). We are happy you're out there enjoying our parks and noticing the little things...what's great, what could use a little love, and maybe even where the gophers are plotting their next underground takeover! Your feedback is truly invaluable in keeping our parks clean, safe, and welcoming for everyone. Let's work together to make our community spaces even better.

This bright season is all about FUN, connection, and rediscovery! Gather your family and friends for the Movie in the Park event, where you can enjoy a family favorite film under the stars. From outdoor adventures to hands-on experiences, we're bringing the community together for a summer filled with unforgettable memories.

Don't miss out—check out our website for all the details and be sure to follow us on social media for the latest updates and special events.

Let's make this the best summer yet—see you out there!

Denis Nishihara
Director, Department of Community Services

David loves to paddleboard, ski and kayak in his spare time. Thank you David for all you do for the City of Placerville. We appreciate you!

BEGINNING DOG OBEDIENCE/INTRODUCTION TO RALLY

Ages 16+

Professional dog trainer, Denise Paquette, guides you through a series of exercises: sit, down, stay & come, to increase communication and to set boundaries. She will provide an introduction into "Rally". Rally obedience (also known as Rally or Rally-O) is a dog sport based on obedience. Unlike regular obedience, instead of waiting for the judge's orders, the competitors proceed around a course of designated stations with the dog in heel position. Rally is FUN for the dog and its humans- it's a kick!! Dogs that are retaking this class in prep for Intermediate Dog Training will be brought along at a faster pace to achieve the heeling and focus needed for the Intermediate Dog Training Class. Please bring your dog, any collars you have, small training treats, and a four-to-six foot leash made from nylon or leather. Proof of current vaccinations is required.
