ACKNOWLEDGEMENT OF WATER INSTALLATION FEES

Please be advised that the individual signing this document acknowledges that the Water Meter Installation Fee, which is collected along with the Sewer and Water Application during permit issuance, is merely an approximation. The applicant bears responsibility for covering the actual cost of both the meter and its installation, based on time and materials. If the actual cost exceeds the estimated fee, the applicant will receive a bill for the difference. Conversely, if the actual cost is lower than initially anticipated, the applicant will be refunded accordingly.
