

**City Manager's Report**  
**June 23, 2015 City Council Meeting**  
**Prepared by: Dave Warren, Director of Finance**  
**Item #: 12.1**

**Subject:** Adopt a Resolution approving and adopting the Proposed Fiscal Year 2015/2016 Operating Budget and Capital Improvement Program Budget as presented.

---

**Background:**

Over the past six months, the City's Budget Team, which is comprised of all Department Heads and the City Manager, has collectively developed both the Operating Budget and the Capital Improvement Program Budget in a manner that aligns with the City Council's established fiscal policies and maintains essential program delivery to the greatest extent possible. As part of the budget development process, the Council held a Capital Improvement Program and Capital Outlay Budget Development Workshop on April 7<sup>th</sup>, an Operating Budget and Capital Improvement Program Budget Development Workshop on May 21<sup>st</sup>, and a Budget Open Hearing on June 9<sup>th</sup> of this year. Both the Proposed Operating Budget and Capital Improvement Program Budget include the same expenditure assumptions as what was discussed at the Budget Open Hearing held on June 9<sup>th</sup>. The forecasted level of Bradley Burns sales tax, Measure J sales tax, and Measure H sales tax for Fiscal Year 2015/2016 has been increased slightly due to favorable performance in the quarter ended March 31, 2015, as well as the State Board of Equalization's forecast dated May 29, 2015, for Statewide sales tax growth over the next twelve months.

**Discussion:**

The attached budget documents are the same format as in past years including multi-year summaries of all aggregate operating revenues and expenditures as well as detailed expenditure summaries for all City departments and divisions. Tonight, staff is requesting the Council to adopt the Proposed Fiscal Year 2015/2016 Operating Budget and Capital Improvement Program Budget as presented.

**Options:**

1. Adopt the attached resolution approving and adopting the Proposed Fiscal Year 2015/2016 Operating Budget and Capital Improvement Program Budget as presented.
2. Make adjustments to either the Proposed Operating Budget and/or Capital Improvement Program Budget and adopt the budgets as adjusted.

**Recommendation:**

Adopt a Resolution approving and adopting the Proposed Fiscal Year 2015/2016 Operating Budget and Capital Improvement Program Budget as presented.

Honorable Mayor and  
City Councilmembers of the  
City of Placerville

Re: Fiscal Year 2015-2016 Budget Message

Dear Mayor Borelli and Councilmembers:

I present to you the proposed Operating and Capital Improvement Program Budgets for the City of Placerville for the Fiscal Year 2015-2016. Although we continue to struggle to find funding for badly needed infrastructure such as roads, park improvements and facility repairs, we continue to make progress in restoring some services. For the first time since 1992, over 20 years, we are restoring the 2 hour Friday furlough and implementing a 40 hour standard work week. Although these 2 hours may seem minimal, it is a starting point to restoring employee compensation and staffing levels to meet demands. During the recession almost all capital repair and replacement was eliminated. Last year we implemented a capital equipment lease program to “catch up” on our efforts to provide quality equipment. This year we continue that process by providing additional one-time funds to purchase additional needed equipment. It is a pleasure this year to once again present you with a balanced budget, noting that some reserves are used for one-time equipment purchases. The budget document should be a tool used to educate our citizens. This last year we developed the Budget Fact Sheet to educate citizens on how their tax dollars are spent. We will update and expand that document to continue our efforts to educate our citizens.

The budget format is similar to last year's in that it again addresses revenues and expenditures on a departmental basis, as well as on a division/activity basis. This produces a more comprehensive document and allows the user to more readily identify revenues and expenditures on a department-by-department basis. The proposed budget continues to identify workload indicators for each department, by division thereof, as the foundation for the departmental expenditures. This budget contains some minor changes to the Police Department and Development Services Department. These changes are shown in the personnel line items of the budget related to the Police Department and Development Services.

The process in developing a proposed budget involves the Budget Team (comprised of the department heads) meeting as a group on several occasions and reviewing each department's ongoing annual expenditures, Capital Outlay requests and Alternative Service Levels requests. These requests are measured against each department's goals and objectives and ultimately the Council's identified goals. The requests are then prioritized, and recommended to the Council at a Budget Workshop. Council assists in the prioritization of requests and the final document is developed. The requests included in the proposed budget are arrived at through consensus only after lengthy and critical analysis.

**This page was intentionally left blank.**

The budget includes significant revenues to continue our efforts to replace aging equipment. We also continue to look at ways to identify funding for a Capital Repair and Replacement Program.

Priorities are established by consideration of Council directives and goals, revenue generation, cost efficiency, health and safety, critical staffing needs, cost recovery, project delivery and improved public service and efficiency. Previous operating budget line item expenditures are reviewed with each department head and modified where warranted by past history and current trends.

For the Fiscal Year 2015-2016 budget, we continue to be cautiously optimistic in the recovering economy. Sales tax revenues growth has slowed somewhat but continues to improve. In the 2014-2015 budget we were able to restore the remaining half of the Mandatory Time Off Program in place for the past 4 years and completely eliminate this program. Beginning July 1, 2015, this budget restores the 2 hour Friday furlough which has been in place since 1992 bringing us back to a 40 hour work week. Staff continues to be conservative in our recommended estimates of revenues. Prior to this past year we have consistently outpaced the State estimates for sales tax growth. In 2014, we have seen the pace of our sales tax growth slow down but still match or slightly exceed the State's average performance. With that information we continue to be conservative and only match the State estimates for the coming year plus adjustments for major changes in our business portfolio. Through conservative spending and monitoring of all revenues and expenditures, we have maintained a balanced budget. This year we did exceed our planned contingency due to unexpected needs at the aquatic center and the Police Department roof. For the 2013-2014 fiscal year, we realized a \$417,115 surplus due to positive sales tax growth and efficiency in providing services. This funding is proposed to partially restore our reserve fund, continue funding the employee vacation buy-back program to reduce liability due to high vacation balances and fund capital equipment replacement needs.

This year's General Fund budget expenditures include several Capital Outlay requests, such as 2 police administration vehicles, body worn cameras for police, various police safety equipment, computer servers and copy machine replacement. Capital Improvements include various water, sewer and street projects to update aging infrastructure. The Community Promotions grant program continues with funding decreased from \$7,500 to \$5,000.

This year's proposed budget as presented also reflects certain assumptions. Sales tax revenues were projected to increase by 6.36% in 2014-2015. Based on state projections, as well as actual receipts through the first quarter of 2015, sales tax revenues are conservatively projected to increase by only 4.91%, or \$183,679. Fiscal Year 2015/2016 sales tax revenues are forecasted to grow by \$275,562 or 7.02%. The proposed budget reflects projected increases in health insurance, including medical, dental and vision. Savings continue to be realized in the ancillary programs due to changes made in the past two years. The budget continues the temporary change from full-exposure personnel cost budgeting to anticipated personnel costs based on actual employee trends. As a result, the Fiscal Year 2015-2016 General Fund Budget is \$7,902,934 or 4.69% more than the Fiscal Year 2014-2015 revised budget.

We continue to look at ways to maximize revenues and reduce costs. The recently implemented second tier retirement plan continues to produce savings. This year, that amount equals \$274,855 in savings. The City continues to look at Training and primarily only mandated training or training that is reimbursable such as POST Training for Police Officers is included in the budget. In addition this year's budget includes training for Councilmembers in the amount of \$1,000 per Councilmember. Mandated cost reimbursements are included in the amount of \$5,800.

**This page was intentionally left blank.**

Staff continues to evaluate all programs to determine ways to operate more efficiently. The proposed budget includes negotiated contract changes including 1.5% for restoration of the Friday furlough, continuation of the vacation buy-back program and a longevity pay program. No other Citywide personnel salary increases are included other than standard merit increases. Finally, the General Fund budget does include a modest contingency in the amount of \$75,000 to be funded from the Reserve for Economic Uncertainties.

Included with this document are the budgets for both the Water Enterprise Fund and the Sewer Enterprise Fund. Water and Sewer Rate Discounts, as supplemented by Measure H, are again included in this year's budget. Council approved a Water and Sewer Rate study which will be completed this fall. Implementation of new recommended rates is estimated to take place in January which are necessary to fund debt service. Upon recommendation from the Measure H Committee, the budget includes \$528,667 in water and sewer line replacement funds. These projects include the continuation of the Main Street Project and various other water and sewer line replacement projects. All of these projects are a high priority as part of much needed replacement of aging infrastructure.

As part of its "workout" plan for the \$42,864,638 State Revolving Fund (SRF) Loan, the City has set aside Sewer Enterprise Fund net revenues in a Rate Stabilization Reserve since Fiscal Year 2009/2010. We anticipate the Rate Stabilization Reserve will have a balance of approximately \$477,017 as of June 30, 2015. The first full \$1,528,631 payment towards the 2006 SRF loan was made in September of 2014. The proposed Sewer Enterprise Fund Budget assumes \$447,147 from the Rate Stabilization Reserve this year to make that loan payment. Although the Sewer Enterprise Fund has the appearance of a \$447,147 operating deficit, the planned use of \$447,147 in Rate Stabilization Reserve funds to "smooth" future rate increases over the next few years is a prudent plan until sewer rates are incrementally adjusted to achieve 100% funding of the loan payment from operating revenues.

One area of major concern is funding adequate staffing for the water, sewer, and storm drain systems. Additional state requirements continue to overburden routine operations in these divisions. We will attempt to address the problem for water and sewer systems in the Water and Sewer Rate Study being completed this fall. However, there is no secure source for funding storm drain systems requirements. The City is required to implement best practices for storm drain systems. The current permit as required by the State lists new requirements to be completed each year. Only minimal implementation has been completed to date. Without identifying additional staffing to implement these functions, the City could be subject to penalties. We will continue this year to seek ways to fund these permit requirements.

The Measure J Fund continues to show improvement due to sales tax revenue gains and negotiated benefit concessions. This year's budget is balanced using \$9,269 from reserves, however this includes a \$77,131 payment towards the loan from the General Fund as agreed upon with the Placerville Police Officers Association. The agreement shows the loan being paid off in Fiscal Year 2016-2017. Measure J provides funding for salary and benefits for public safety employees. If sales tax revenues continue to improve, Measure J should remain in a positive position.

The Parking Fund continues to have a structural deficit, using general fund revenues to balance its budget. Although the fund is showing a balanced budget through transfers, no funding is going toward maintenance and upkeep of our parking facilities nor the cost of clerical and information technology support. Deteriorating asphalt and other repairs to the Parking Garage are an increasing problem. The Council appointed the Ad-Hoc Parking Advisory Committee which continues to meet and it is expected to have recommendations for changes to balance the fund this fall, 2015.

**This page was intentionally left blank.**

The result is a balanced budget for all funds for the current fiscal year with the exception of the Sewer Enterprise Fund which is addressed above. Staff feels the proposed budget reflects extremely conservative estimates in all areas to ensure a balanced budget without compromising essential program delivery or vital public services. However, if further cuts are necessary, services levels will definitely be impacted.

The budget process is designed to achieve a balanced budget by providing for the best use of the taxpayers' dollars while maintaining services in fiscally constrained years. Staff continues to closely monitor the budget to explore ways to more efficiently provide services. It is our hope that improvement will continue in our Sales Tax Revenues, which will allow us to provide better service to the public. Staff is committed to keeping the City on a fiscally sound basis while maintaining all essential services to the public.

Director of Finance, Dave Warren, and his staff are to be commended for their excellent work and presentation of the budget. Each Department Head should also be recognized for their cooperation, dedication and sacrifice to achieve a balanced budget. I express my appreciation to all City Employees who work diligently to keep the City functioning during these difficult financial conditions. And, finally, I thank the Council for their support, direction, leadership and continued diligence in providing quality, efficient service to the public.

Very truly yours,

# Fiscal Year 2015/2016 Annual Operating Budget

**Department: Police**

**Division: Patrol**

## 2014/2015 REVIEW

- For the fiscal year we estimate 650 physical arrests (excluding cited and released).
- Wrote approximately 700 citations for moving and non-moving violations. (Note: excludes any parking citations -parking enforcement conducted via contract services).
- Responded to approximately 16,500 calls for service and wrote approximately 2,100 crime/incident reports.
- Received first place in the California (#4 in the Nation) for our National Night Out participation, 2014.
- Patrol staff continued progress on directed community policing projects with the Historic Downtown, Transients, the Skate park/Fairgrounds, Ivy House Lot, Benham Park and Placerville Drive/Gangs. These issues and future efforts will continue in to next year.
- The popular and successful K-9 Program has continued for the fourteenth year. A new K9 was purchased and certified for patrol and narcotic detection.
- Dealt with 1,485 transient related calls for service which is a 35% increase from 13/14. This represents the lowest percentage increase since tracking began.
- Continued with the SRO program at EDHS and PUSD.
- Developed and released to the community a Placerville Police App for mobile phones and tablets.
- Replaced 1 patrol vehicle in our fleet, added 2 patrol bicycles and one electric motorcycle.
- Obtained grant funds through Homeland Security Grant to fund a camera system on Main Street and initiated the project.
- Assisted in mutual aid with EDSO for 2 large fires (King and Sand) in El Dorado County.
- Actively recruited and hired one Reserve Officer.
- Actively recruited and hired one Commander for our Support Services Division.
- Hired 2 additional full time Police Officers.
- Developed and implemented a 2015-2017 Strategic Plan, identifying four focus points to include; Community Service, Professional Development, Internal Operations, and Capital Improvement.

## 2015/2016 BUDGET

- Continue our Focus Points in our Strategic Plan of Community Service, Professional Development, Internal Operations and Capital Improvement.
- Promote our COPPS philosophy in our neighborhoods and business areas. Utilizing our social media, Twitter, Facebook, & Nixle, we intend to further develop our partnership with our community.
- Place emphasis on problem oriented policing including use of crime analysis and mapping and use of effective tactics and planning, rapid deployment to identified chronic problems, and relentless assessment and follow-up to all public safety issues.
- Utilize our Reserve Officers, Bike Patrol and Electric Motorcycle for increased patrols on bike and jogging trails and special events to increase service levels and quality of life for our community.
- Implement body worn cameras to enhance accountability and transparency and augment current in-car cameras.
- Increase downtown foot patrols.
- Continue to develop all personnel through training.
- Work to reduce area burglaries and to maintain average response time to Priority “A” calls to 5:00 minutes or less.
- Deployment of the SRO, Traffic Officer and Problem Oriented Policing Officers. This would enhance our public safety responses but would have to be identified as priority goals.
- Further develop our Traffic Safety Program and continue to seek funds through OTS grants.
- Implement Watch Commander citizen follow-up audits as a way to measure and increase quality of police services.
- Pursue CALEA accreditation.

## 2014/2015 REVIEW

- Received a high volume of customer service telephone calls, each taking several minutes to handle.
- Responded to over 6,500 customers at our front counter consuming several minutes per contact.
- Processed approximately 2,100 crime/incident reports.
- Purged appropriate records and property in accordance with state law and retention procedures.
- Processed 19 vehicle abatement reports, resulting in 16 voluntary and 3 mandatory removals for calendar year 2014.
- Conducted 969 (789 billable) live scan sessions involving arrest bookings, youth league coaches and employment background checks in 2014.
- Dispatched approximately 16,500 calls for service from our 9-1-1 dispatch center.
- Obtained new dispatch office equipment and updated carpeting.
- Two dispatch positions continue to be unfunded.
- Coordinated another citywide effort to get surplus property to an auction company.
- Continued implementation of the false alarm billing process.
- Continued implementation of the wireless E911 call taking and related geographic mapping.
- Completed thorough inventory of evidence, accounting for over 3,500 pieces of evidence.
- Restructured supervision in dispatch and records to have one dispatch lead and a Commander of Support Services.

## 2015/2016 BUDGET

- Continue to work with department staff in an effort to comply with on-going training requirements for our dispatchers.
- Create and maintain a perpetually current eligibility list for dispatch/records technicians in an effort to expedite the hiring process when an opening exists.
- Continue efforts toward total automation of our records handling process to become nearly paperless.
- Complete ongoing property and evidence audits.
- Continue the process of auctioning and purging surplus property.
- Recruit and hire one full time DRT and per diem DRT's to assist with staffing and reduce overtime.
- Pursue standards of performance and statistical data collection in alignment with CALEA standards.

# Fiscal Year 2015/2016 Annual Operating Budget

**Department: Police**

**Division: Police Administration**

## 2014/2015 REVIEW

- Established 2-Year Strategic Plan.
- Continued efforts to recruit, test and train sworn and civilian personnel in an attempt to maintain staffing. Two sworn, two dispatch positions and the CSO position continue to be unfunded.
- Trained sworn officers in basic and advanced Mental Health/Crisis Intervention practices in partnership with Folsom PD.
- Staff deployment and scheduling for patrol and dispatch continue to be modified to account for reduced staffing and cost savings.
- Worked with multi-disciplinary organizations in an effort to develop alternatives for our youth.
- Continue to organize directed transient offender enforcement and outreach operations.
- Awarded 14/15 Office of Traffic Safety grant to focus on traffic safety.
- Conducted comprehensive monthly staff meetings to provide continued growth and progress toward our organizational goals and objectives.
- Continued the comprehensive and detailed updates to the Department General Policy Manual. Created Duty and Conduct, Uniform, Report Writing and Property and Evidence Manuals.
- Utilized Homeland Security (HLS) grant funding for downtown camera system project and replacement of mobile data computers for patrol cars.
- Actively participated in regional disaster preparedness exercises and emergency operations including the “Sand” and “King” fires.
- Actively participate on Social Media Sites- Facebook and Twitter to increase public awareness and participation with COPPS programs.
- Authored and submitted application for an OTS grant for FY 2015/16 that will enhance our DUI enforcement.
- Completed “shove-ready” plan for Public Safety Building Renovation Project relying heavily upon the Council authorized Needs Assessment/Master Plan from 2002.
- Completed an assessment plan of the Police Range Facility.

## 2015/2016 BUDGET

- Implementation of Strategic Plan.
- Continue with the recruitment, testing, hiring and training of sworn and civilian personnel.
- Continue aggressively seeking grants and/or other funding opportunities that might become available.
- Continue to streamline and improve our Community Oriented Policing and Problem Solving (COPPS) practices. This could include further implementation of crime analysis and mapping and continuation of a Community Survey and use of random Customer Satisfaction Surveys.
- Continue involvement with the Police Chief’s Associations both on the regional and State levels in an effort to learn/share ideas and enhance administrative effectiveness.
- Continue involvement in both the County and Regional Law Enforcement Manager’s Associations.
- Continue professional growth and succession planning of Command Staff.
- Continue implementing staff deployment and scheduling plans for allocation and assignment of all positions with an approach towards balance of service, efficiency and cost savings as the current primary goal.
- Continue collaboration with our area schools to provide a School Resource Officer.
- Complete a training plan for all sworn and non-sworn personnel in an effort to maintain POST compliance and satisfy State mandated training requirements.
- Continue to manage the Citizen’s Option for Policing (COPS) grant, the CHRP and CHP grants and the Federal Homeland Security grant programs that we have received over recent years.
- Continue to seek a funding source to implement the recommendations made in the Public Safety Building Needs Assessment/Master Plan.
- Continue researching needs and funding sources to implement needed safety improvements for the Police Range Facility.
- Continue to catch up on deferred replacement of vehicles and equipment needs.

## 2014/2015 REVIEW

- As of May 2015, 442 building permits were issued, performed 205 plan reviews, and conducted 1,047 inspections.
- Implemented part-time, in-house contract Building Official services to offset a significantly increased workload of plan review applications, inspection requests and public inquiries, minimizing delays related to physically outsourcing plan review services.
- Continued to work with the public to obtain compliance with the City and State Codes relating to property use, non-conforming construction and substandard housing conditions.
- Perform complimentary site visits for proposed projects.
- Continued with code enforcement to reduce the current backlog.
- Complete inspections for renovation and shoring work at 301-305 Main Street (Herrick Building).

## 2015/2016 BUDGET

- Continue to provide superior customer service regarding information relating to building codes and safety.
- Plan review, building permit and inspection activity are expected to continue to rise for this next fiscal year.
- Continue to maximize the benefit of in-house contract building services, in-lieu of the reinstatement of more staff hours.
- Process permits for entitled hotel and subdivision projects at such time that market conditions become favorable for the applicants.
- Complete inspection process for active projects including single-family residences, new and remodeled commercial sites, and repairs to formerly bank-owned code enforcement sites.
- Continue with code enforcement activity which is expected to steady increase.
- Coordinate project reviews with the Building and Engineering Divisions, other City departments, and Fire District.
- Continue to bring substandard properties and bank-owned properties into compliance.
- Update relevant City Code and bring to City Council for adoption the 2013 Fire Code; Solar Ordinance, and Construction and Demolition Debris Ordinance.

# Fiscal Year 2015/2016 Annual Operating Budget

*Department: Finance*

*Division: Utility Billing*

## 2014/2015 REVIEW

- Continued to administer the City's accounts receivable process to ensure that the City's revenues are collected in timely basis.
- Worked in concert with outside collection agency to collect from more problematic accounts.
- Actively pursued utility account collections to maintain smooth revenue streams.
- Obtained judgments and liens to collect from several severely delinquent utility accounts.
- Issued 22,537 utility billing statements.
- Established 150 payment plans for ratepayers who have fallen behind in paying their utility bill.
- Began sewer and water rate study.
- Continued the Click2Gov software conversion to provide ratepayers with online information and bill pay capability.
- Administered Public outreach program for water conservation in response to the continuing drought conditions.

## 2015/2016 BUDGET

- Issue 22,537 utility billing statements.
- Continue to develop financial incentives for water conservation as required by the State Water Resources Control Board.
- Work with the Engineering Division on meter reading / replacement program to preserve the integrity of the City's water revenues.
- Work with the Corporation Yard, Engineering, and meter reader to improve procedures for hydrant meters.
- Continue to develop customer deposit/credit check program to minimize the negative affects of requirements to protect the City from bad debts.
- Update utility information page for the City's website.
- Work with the Engineering Division to implement a new automated water meter reading program.
- Complete sewer and water rate study.
- Revise utility application process.
- Complete the Click2Gov software conversion to provide ratepayers with online information and bill pay capability.
- Continue to administer Public outreach program for water conservation as necessary.

## **PROPOSED CAPITAL IMPROVEMENT PROGRAM BUDGET 2015/2016**

# CAPITAL IMPROVEMENT PROGRAM POLICY

Each year the City faces the challenge of meeting infrastructure and equipment needs with limited financial resources. The Capital Improvement Program Budget is designed to address the large financial investment that is required to maintain and expand public facilities and infrastructure. Ongoing service delivery can be assured only if adequate consideration is given to capital needs including capital asset replacement. If the City were to fail to maintain its capital assets, facilities and infrastructure will deteriorate until costly, constant maintenance is required, service levels are threatened, and community growth stagnates or even declines.

- In contrast to the Operating Budget, the Capital Improvement Program is a multi-year planning document. With respect to capital projects, it sets our goals for the next few years within what we believe to be realistic revenue projections.
- Capital assets are defined as a new or rehabilitated physical asset that is nonrecurring, has a useful life of five years or more, and is expensive to purchase. Capital projects are undertaken to acquire a capital asset. Examples of capital projects include construction of public facilities, major street improvements, and the acquisition of large pieces of equipment.
- Each project, shown within this document, indicates the potential funding sources based upon a number of restrictions that are common to local government revenue sources. As an example, we can build roads with gas tax funds and development impact funds, but not with park development funds.
- The funding strategy for the capital improvement program is to use all available restricted funds before general capital improvement funds. This maintains the City's flexibility to fund priority projects without regard to the source of revenues.
- Because of limited resources, the City's strategy during the last several years has been to contribute any carry-over from the prior year's operating budget to the General Capital Improvements Fund. This is the only true source of unrestricted capital improvement funds within the City. With the backlog of street and building maintenance projects, the City's goal is to someday allocate a percentage of sales tax revenues to be used only for capital improvements. This will assure long-term financial health of the City.

**2015/2016 CAPITAL IMPROVEMENT PROGRAM PROJECTS**

## **Elm Court Waterline Replacement (CIP #41601)**

### ***DESCRIPTION:***

This project replaces approximately 500 linear feet of water main that currently shares a trench with an active and existing sewer main pipe line. The existing water main is physically located below the sewer pipe which causes concern in its current state as the sewer pipe is compromised from root intrusion.

### ***COST SUMMARY:***

Construction	\$50,000
Contingency	5,000
Inspection/Testing	<u>5,000</u>
Total Estimate	<u>\$60,000</u>

### ***POTENTIAL FUNDING SOURCES:***

Measure H Fund	\$60,000
----------------	----------

### ***IMPACT ON ANNUAL MAINTENANCE AND OPERATION COSTS:***

This improvement will reduce risk to public health and safety by providing adequate separation from active water and sewer lines residing in the same trench. Additionally, the improvements associated with this project will reduce future operating costs and future construction in the event the sewer pipe fails and an emergency repair is needed.

### ***ALTERNATIVES:***

Defer the project.

## **Conrad Street Sewer Line Replacement (CIP #41602)**

### ***DESCRIPTION:***

This project replaces approximately 800 linear feet of sewer main located on Conrad Street. The existing sewer line resides almost directly below the road surface (4" of cover) and has been crushed in places due to weight of vehicles from daily traffic. In its current condition, this pipe is not maintainable and only option is replacement.

### ***COST SUMMARY:***

Construction	\$ 90,000
Contingency	15,000
Inspection/Testing	<u>15,000</u>
Total Estimate	<u>\$120,000</u>

### ***POTENTIAL FUNDING SOURCES:***

Measure H Fund	\$120,000
----------------	-----------

### ***IMPACT ON ANNUAL MAINTENANCE AND OPERATION COSTS:***

This improvement will reduce risk to public health and safety by replacing the existing crushed pipe and could potentially spill as sewage accumulates within the line. Additionally, the improvements associated with this project will reduce future operating costs for attempted maintenance and future construction in the event an emergency repair is needed.

### ***ALTERNATIVES:***

Defer the project.
