Re: **Fireworks Permit**

Mr. Morris,

Russell Motorsports, Inc. is requesting permission to conduct a public firework display on Thursday, July 4, 2019. This will take place at the Placerville Speedway located on the Placerville Fairgrounds property. The display will take place after the race and will be put on this year by Pyro Spectacular. This year's display will essentially be the same size and scope as those of the previous years.

The El Dorado County Fire Protection District's Fire Marshal will review and approve the permit application to ensure that this public firework display conforms to all current California State Fire Marshal regulations. Issues related to public safety, traffic, parking, security, and radio communications will be addressed in the same manner as previous years.

We are requesting that you place this firework show on the City of Placerville City Council's agenda to obtain the necessary support and permission for the firework display in accordance with City Code Title 3, Chapter 6. If you have any questions, please contact me at (530) 644-9630. Your continued support of this well attended event is greatly appreciated.

Sincerely,

Brandon McKay
Fire Marshal
