

Pioneer Community Energy Benefits

- Pioneer Community Energy (Pioneer) is a Joint Powers Authority comprised of the cities of Auburn, Colfax, Lincoln, Rocklin, the town of Loomis, and Placer County, and directed by a Board representing each participating jurisdiction.
- Pioneer is a not-for-profit government organization funded entirely by revenues from the sale of electricity, not tax dollars, and its revenues cannot be diverted for non-energy programs.
- Pioneer was formed to provide electric generation at stable and competitive rates, while offering programs that deliver economic and workforce benefits for the local community.
- Pioneer began providing electricity to customers in February 2018, and currently provides electricity to more than 93,000 customers.
