Prepared by: Dave Warren, Assistant City Manager/Director of Finance

Item #: 7.7

Subject: Acknowledge and file the quarterly investment report for the period ended March 31, 2022.

Recommendation:

Acknowledge and file the quarterly investment report for the period ended March 31, 2022.

Purpose: To report the City's quarterly investment activities in accordance with California Government Code, Section 53646.

Strategic Plan Strategies:

Fiscal Stability /Sustainability: 1. Identify financial risks and opportunities. 6. Meet financial commitments and reporting requirements.

Background:

Section 5 of the City's investment policy requires the Finance Department to submit a quarterly investment report to the City Council as prescribed by California Government Code, Section 53646. This report presents the City's investment portfolio as of March 31, 2022. It includes all investments managed by the City as well as those held by the City's trustees and provides information on the institution, investment type, value, and yield for all securities. As of March 31, 2022 the investment portfolio complied with all State laws and the City's investment policy.

Analysis:

Short-term excess cash is currently invested in the Local Agency Investment Fund (LAIF) which is a money market fund that is administered by the State Treasurer. LAIF is a high quality investment in terms of safety, liquidity and yield which are the primary objectives of the City's investment policy.

The Placerville Public Financing Authority's trustee, US Bank (previously known as MUFG), is currently investing the proceeds from the Wastewater System Refinancing and Improvement Project Revenue Bonds, Series 2006 in the Blackrock T-Fund which is a money market fund. The proceeds from the 2019 Equipment Lease were deposited in an interest bearing checking account with Pacific Premier Bank (previously Opus Bank).
