

## RESOLUTION NO. \_\_\_\_\_

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACERVILLE  
AUTHORIZING STAFF TO REJECT BIDS AND READVERTISE THE  
CONSTRUCTION CONTRACT DOCUMENTS FOR PUBLIC BIDDING FOR THE  
BROADWAY SIDEWALKS PROJECT (CIP #41606)**

**WHEREAS**, the City established Capital Improvement Project (CIP) #41606 to improve the sidewalks on Broadway from Mosquito Road to Orchard Lane; and

**WHEREAS**, the environmental, design, utility coordination, and right-of-way phases of the project are complete; and

**WHEREAS**, the City received the authorization to proceed for all construction related activities from Caltrans Headquarters operating as the oversight agency for the project funding and is now ready to move the project forward into construction; and

**WHEREAS**, on March 28, 2023 the City Council authorized the release of construction contract documents for public bidding, and the project was advertised on March 31, 2023; and

**WHEREAS**, the first public bid opening occurred on April 27, 2023, and only one bid was received from Central Valley Engineering & Asphalt, Inc.; and on May 23, 2023, the City Council authorized the Engineering Department to reject the bid and readvertise the project; and

**WHEREAS**, the second public bid opening was held on June 20, 2023 and two bids were received, from B&M Builders and Central Valley Engineering & Asphalt, Inc., but both bids came in higher than in April and insufficient funding is available to award a contract; and

**WHEREAS**, according to typical City policy, and as stated in the construction contract documents, bids expire 60 days after bid opening and in this case, the bids will expire on August 19, 2023; and

**WHEREAS**, staff reached out to Caltrans about the funding shortfall and Caltrans has committed to provide additional federal funding for the project in October when additional funds are available at the start of the state fiscal year.
