Re: Fireworks Special Use Permit – Russell Motorsports September 3, 2023

Mr. Morris,

Russell Motorsports, Inc. is requesting permission from El Dorado County Fire to conduct a public firework display on Sunday September 3, 2023. This will take place at the Placerville Speedway located on the El Dorado County Fairgrounds property. The display will take place at approximately 6:45pm – 7:15pm with a second short segment at approximately 9:30pm -10:30pm depending on the completion of the races. Devastating Pyrotechnics will be the company used for this event.

The El Dorado County Fire Protection District's Prevention Bureau has reviewed and approved the permit application to ensure that this public firework display conforms to all current CFC Chapter 56, California State Fire Marshal regulations, NFPA 1123, 1124 and Title 19 California Administrative Code.

For City Council consideration, Russel Motorsports in conjunction with Devastating Pyrotechnics, has met the required Special Permit process through El Dorado County Fire. In accordance with City Code Title 3, Chapter 6 Russell Motorsports will need City of Placerville approval.

If you have any questions, please contact me at (530) 644-9630. Your continued support of this well-attended event is greatly appreciated.

Sincerely,

Braden Stirling
Fire Marshal
