Housing Element Implementation

Jurisdiction		Placerville	
Reporting Year		2024	(Jan. 1 - Dec. 31)
Table D			
Program Implementation Status pursuant to GC Section 65583			
Housing Programs Progress Report			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.			
1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
1. Regional Housing Needs Allocation (RHNA)	Maintain sufficient sites to accommodate, at a minimum, the City's share of regional housing needs through the end of the RHNA cycle (119 above moderate-income, 50 moderate-income, 34 low-income, 36 very low-income, and 20 extremely low-income)	Monitoring of inventory, ongoing; first report / update completed with adoption of the Housing Element; subsequent updates to the Planning Commission and City Council by April of each year of the 2021-2029 Planning Period as part of the Annual Housing Element Progress Report.	<p>Land inventory is updated and posted to City webpage. The City has vacant land available to meet the "Total Remaining RHNA by Income Level" (see Table B) affordability for the remainder of the 2021-2029 Housing Element planning period. As of March 3, 2025, the following are totals of vacant residential parcels per RHNA Income Level:</p> <p>Above Moderate-Income Affordability Category: There are 153 vacant parcels available within the RE, R1-A, R1-20, R1-10, and R1-6 zones, totaling 289-acres, to accommodate 391 units for the above moderate-income affordability category, well in excess of the 119 units of remaining RHNA need;</p> <p>Moderate-Income Affordability Category: There are 23 vacant parcels available within the R-2, R-3, and R-4 zones, totaling 42-acres, to accommodate 318 units for the moderate-income affordability category, well in excess of the 50 units of remaining RHNA need;</p> <p>Very-Low and Low-Income Affordability Categories: There are 4 parcels available within the HO Overlay zones, totaling 17-acres, to accommodate 252 units for the very low- and low-income housing household income affordability categories, well in excess of the 90 units (20 extremely low, 36 very low-income and 34 low-income) of remaining RHNA need.</p> <p>Two of the four parcels are currently under development (Mallard and Middletown Apartments) providing 72 and 82 units respectively.</p>
Infill Development Sites	Facilitate the development of housing across all household income categories, with a target of providing 119 above moderate-, 50 moderate-, 34 low-, 36 very low-, and 20 extremely low-income housing units.	Ongoing; first report / update completed with the adoption of the Housing Element; subsequent updates to be completed and reported to the Planning Commission and City Council by April of each year of the 2021-2029 Planning Period as part of the Annual Housing Element Progress Report; make inventory available on City's website, the Development Services Department and via email as necessary.	The City did not update its preliminary infill/re-use site survey, or conduct a feasibility study during the Planning Period. Staff coordinated with the Developers of the Mallard Affordable Housing Project, Middletown Affordable Housing Project, and Armory Affordable Housing Project (Clementine) during the planning period. Construction of Mallard and Middletown Apartments are ongoing. Clementine is scheduled for 2025. These projects will provide for 154 affordable units.
Complete Implementation of High-Density Development Land Inventory and Objective Design Standards	Increase inventory of sites suitable for high-density residential development by right.	Jun-23	The City successfully obtained grant funding in 2020 and 2021 for consulting services to complete environmental analysis and development of objective design standards to amend the General Plan and zoning within the City to accommodate additional infill vacant land inventory at the minimum twenty dwelling units per acre density adequate for anticipated lower income housing needs. The City released RFPs for in early January 2023 for professional services for both environmental analysis and objective design standards.
No Net Loss	No net loss of land designated for Median, Low, Very Low, and Extremely Low Income Categories.	Ongoing; as part of the entitlement review process, evaluate new projects for consistency with the General Plan objectives as they relate to housing and RHNA obligations.	There was no net loss of designated sites for median, low, very low, and extremely low incomes. The City did not process applications for construction that would result in a reduction of density.
Multi-Family Residential Zone Minimum Densities and Development Regulations	Ordinance revisions would move development regulations of City multi-family zone district classifications closer towards densities anticipated and envisioned under the High Density Land Use Designation of the General Plan Land Use Section	Oct-23	The City did not complete amendments to the Zoning Ordinance to establish minimum densities, modify parcel areas, modify maximum building / parcel coverage, and / or modify building height within the multi-family residential zones. Evaluation of the identified actions began in 2023 and are anticipated to take place by 2027.
Public Outreach	Achieve consistent community involvement in the identification of housing issues and solutions at 8 workshops during the planning period.	The first workshop shall occur by December 2022 and annually thereafter.	The City held public hearings on the Housing Element 6th Cycle during the regularly scheduled Planning Commission meetings on August 17, 2021, November 15, 2022, and October 1, 2024. Additionally, the City held public hearings during the regularly scheduled City Council meetings on August 31, 2021, December 13, 2022, and October 8, 2024.
Supportive Housing Zoning Amendments	To encourage the development of supportive housing.	23-Jan	City staff will amend the Zoning Ordinance to be in compliance with the Supportive Housing Streamlining Act (AB 1262). The City Council approved Resolution of Intent (ROI) 24-01 on March 26, 2024. The Development Services Department (DSD) brought proposed text amendments to the Planning Commission on July 2, 2024. Additional changes were identified following the July 2, 2024 meeting. The revised text amendment (Zone Change (ZC) 24-04) is anticipated to be brought back for approval in 2025.

Accommodate Housing for Persons with Disabilities	Improve housing accessibility for persons with disabilities through annual improvements to accessibility to public facilities, 10 percent of new units accessible for persons with disabilities, and the consideration of all requests for reasonable accommodation in accordance with Zoning Ordinance Section 10-3-12, Requests for Reasonable Accommodations.	Make information on reasonable accommodation available by January 2024; Implement ADA Transition Plan annually through CIP Process; work with housing developers as projects are proposed.	The City has made information on reasonable accommodation available on all public notices and the City's website. The City continues to work on updating the ADA Transition Plan. Public review and finalization of the Plan is anticipated in 2025.
Homeless Low Barrier Navigation Center use	Increase opportunities for development of supportive housing.	Jan-23	The City actively coordinates with El Dorado County and Housing El Dorado, a non-profit, regarding homelessness. The El Dorado County Navigation Center, a low barrier shelter, has been in operation since February 2023.
Housing for Developmentally Disabled Persons	To encourage the development or rehabilitation of 20 housing units for persons with developmental disabilities through outreach to developers; to initiate a cooperative outreach program with Alta California Regional Center.	Seek funding annually or as available. Work with developers on an ongoing basis. Provide link of City website by December 2023.	The City coordinated with the developer of the Mallard and Middletown Affordable Housing Projects during 2024. The City, the developer's project manager, and Alta California Regional Center met on January 23, 2025 regarding housing for disabled persons.
Affordable Senior Housing	Assist in the development of at least one senior housing project during the planning period.	Seek funding annually or as available. Work with developers on an ongoing basis. Provide link of City website by December 2023.	The City did not receive any requests for affordable senior housing during 2024.
Family Daycare Homes	Increase opportunities for the creation of family daycare homes.	Jun-23	City Staff completed text amendments to the Zoning Ordinance on September 24, 2024 to comply with the California Health and Safety Code Section 1597.45 and Senate Bill (SB) 234.
Residential Care Facilities	To encourage the development of residential care facilities citywide.	Jun-23	The City Council approved Resolution of Intent (ROI) 24-01 to complete the text amendments on March 26, 2024. The Development Services Department (DSD) brought proposed text amendments to the Planning Commission on July 2, 2024. Additional changes were identified following the July 2, 2024 meeting. The revised text amendment (Zone Change (ZC) 24-04) is anticipated to be brought back for approval in 2025.
Female-Headed, Large Families, Extremely Low-Income Households and Veterans Housing	Assist in the development of 10 affordable housing units for special needs populations over the planning period.	Ongoing. The first engagement shall occur by February 2023 and annually thereafter.	The City assisted with grant funding and permitting for two (2) affordable apartment projects (Mallard and Middletown Affordable Apartments), which include a total of 28 affordable housing units (30% AMI) during 2024.
Regional Collaboration to Address Homelessness	Address the shelter and service needs of unhoused residents of Placerville, estimated to be 104 individuals.	Meet at least annually. Assist non-profit organizations and the County in applying for funding at least annually.	This program was added to the City's Housing Element 6th Cycle in 2022, adopted by the City Council on December 13, 2022. The City actively coordinates with El Dorado County regarding homelessness and with Housing El Dorado, a non-profit, regarding affordable housing. The El Dorado County Navigation Center, a low barrier shelter, has been in operation since February 2023.
Density Bonus	Consistency with State Law.	June 2023; review ordinance annually for compliance with State Law.	City Staff will amend the Zoning Ordinance to be in compliance with the California Government Code Section 65915. The City Council approved Resolution of Intent (ROI) 24-01 to complete the text amendments on March 26, 2024. Text amendments are anticipated to be completed in 2025.
Accessory Dwelling Units (ADUs)	Construction of 24 ADUs and JADUs throughout the City.	Amend the Zoning Ordinance by March 2023. Provide information / handouts by June 2023; insert information in utility bills annually; ongoing.	The City Council adopted Resolution No. 1714 on January 23, 2024 amending the Zoning Ordinance to comply with State law. The following number of ADUs and JADUs were constructed (finalled permits) during the Planning Period: -2021: 3 ADUs, 2 JADUs -2022: 6 ADUs, 2 JADUs -2023: 8 ADUs, 1 JADU -2024: 10 ADUs, 0 JADUs Total ADUs 2021-2024: 27 Total JADUs 2021-2024: 5
Prototype ADU Plans	To bring down the cost to encourage the construction of ADUs within the City.	Jun-23	The City has partnered with Housing El Dorado, a non-profit, and El Dorado County in the implementation of "Jumpstart ADU." The program seeks to provide pre-approved construction plans for ADUs.

Pursue State and Federal Funding	Increase the effective use of state and federal funding in support of at least 237 lower-income units throughout the City. (Note: The City of Placerville's RHNA numbers for lower-income units is 90 units).	Meet annually with interested entities to determine funding priorities for the subsequent 24 months. Establish specific incentives for the development of housing for extremely-low-income households. Applying for funding, or assist other entities in applying for funding based on state and federal funding cycles. For most state programs (except those that have continuous application periods), applications are due either during the fall or in late winter. For most federal housing and supportive service programs administered by HUD, application deadlines are during late spring/early summer. Other state/federal funding opportunities will be pursued based on individual funding deadlines and priorities established through annual meetings between the City and interested entities.	<p>Following the application of the Housing Opportunity Overlay Zone, two of the four parcels designated by-right development opportunities for low-income housing are currently under development. These projects are being funded by various state and federal funding outlined below.</p> <p>Mallard Apartments: At Mallard Lane and MacIntosh (100 Lemon Place) -CDBG loan for property acquisition - \$756,000. -Infill Infrastructure Grant Program (IIGP) - for frontage and offsite improvements - \$1,105,000. -SB2 - Competitive Permanent Local Housing Allocation Program (CPLHA) - loan for architect and engineering costs; \$756,000. -Multi-Family Housing Program (MHP) - \$11,000,000 - construction (through Pacific Southwest Community Development Corporation).</p> <p>Mallard Apartments will provide 72 units; 100% affordable to families earning 30% and 60% of Area Median Income (AMI) for a minimum of 55 years.</p> <p>Middletown Apartments: At Cold Springs Road and Middletown Road (180 Middletown Road) -CDBG loan for property acquisition - \$861,000. -Infill Infrastructure Grant Program (IIG) - for frontage and offsite improvements - \$2,158,000. -SB2 - Competitive Permanent Housing Allocation Program (CPLHA) - loan for architecture and engineering costs; \$861,000. -Multi-Family Housing Program (MHP) - \$13,000,000 - construction (through Pacific Southwest Community Development Corporation).</p> <p>Middletown Apartments will provide 82 units; 100% affordable to families earning between 30% and 60% of Area Median Income (AMI) for a minimum of 55 years.</p>
Permit and Development Impact Fees	Reduce the initial cost-impact of City fees on affordable housing projects.	Review fees by March 2023; make important information available by April 2023.	The City has implemented reductions in impact fees (water, sewer, traffic impact mitigation fees, and park fees) for development of ADUs and JADUs consistent with State Housing Law.
Self-Help Housing	To facilitate at least one self-help housing project (20 units) during the 2021-2029 Planning Period.	As part of the annual meetings with non-profit housing providers, identify opportunities for self-help housing projects.	The City did not facilitate self-help housing during 2024.
Statewide Community Infrastructure Program (SCIP)	One development to use the SCIP during the planning period.	Discuss program with affordable housing developers in 2023.	City staff met with developers regarding use of the SCIP program in May 2024.
Workforce Housing	Complete at least one housing development that provides very-low-income, low-income, and moderate-income housing units.	Determine the need and apply for a CDBG planning grant, if appropriate, by spring of 2025.	Workforce housing was planned and funded during 2022 for development of the Mallard and Middletown Affordable Apartment Complexes. Construction of Mallard is underway and is anticipated to be completed by January 2026. Construction of Middletown is anticipated to occur between 2026-2027. Both projects will add a total of 154 low and very-low income workforce affordable housing. Both apartment complexes are 100% affordable for a 55-year duration.
First Time Homebuyer Assistance	Assist with the establishment of a FTHA Program to facilitate homeownership and reduce displacement risk among moderate- and low-income households. Establish a quantified objective based on need and available funding.	Beginning in fiscal year 2024, meet with non-profit organizations, El Dorado County agencies and/or lenders and financial institutions interested in offering FTHA programs to explore feasibility and opportunities for the pooling of funds/resources. Assist participating stakeholders with applying for funding as soon as feasible based on demand and administrative capacity.	The City did not establish the FTHA Program in 2024.
Create Resource Base Information and Materials on Fair Housing	Provide ready access to information regarding fair housing rights and obligations to all members of the community, particularly those at risk of/for discrimination.	Jan-23	The City actively updates and maintains its website to provide resources to Placerville residents regarding fair housing rights and obligations.
Community Outreach	To proactively provide information regarding fair housing rights and obligations to all members of the community, particularly those at risk of/for discrimination and/or displacement.	Initial workshop in December 2022, then conduct a workshop every two years during the planning period.	The City actively updates and maintains its website to provide resources to Placerville residents regarding fair housing rights and obligations.
Landlord Education of Fair Housing	Inform landlords regarding fair housing rights and obligations and encourage establishment of reasonable policies by landlords for tenant criminal history, rental history, credit history, fair housing and reasonable accommodations.	Initial workshop in December 2022, then conduct a workshop every two years during the planning period.	The City actively updates and maintains its website to provide resources to Placerville residents regarding fair housing rights and obligations.
Expand Public Transportation and Alternative Transportation Infrastructure	Expand transportation resources to serve all residents and reduce barriers to access. Implement 1-2 alternative transportation improvement projects per year.	Annually	<p>The City completed the Mosquito Park and Ride facility, Phase II, during 2023. Additionally, the City has been facilitating public improvements including the design and engineering work for the Broadway, Placerville Drive, and Green Valley Road Improvement Projects, including bike lanes and sidewalks.</p> <p>The City is coordinating with the developer of the Mallard Affordable Apartment Complex for the addition of a bus stop.</p> <p>The City is currently updating the ADA Transition Plan.</p>
Housing Rehabilitation	Rehabilitate two homes per year when funds are available to improve living conditions, promote housing stability, and discourage displacement.	Annual applications for funding. Provide ongoing assistance as funds are available.	The City did not rehabilitate homes during 2024.

Conduct Housing Conditions Survey	Update information on housing conditions to better target improvement / rehabilitation efforts.	Applying for a CDBG planning grant to fund the housing condition survey; complete the survey within one year of obtaining grant funds before the end of the planning period in 2029.	Funding to assist with a housing conditions survey was not obtained during 2024.
Code Enforcement	To correct building code violations before they become serious health and safety hazards to human habitation.	Ongoing	The City continues to actively enforce building and safety codes. The City's code enforcement targets specific areas based on complaints received and also strives to address city-wide code compliance. This program is effective.
Historic Preservation	Preserve the historic / architectural integrity of historic residential structures and promote rehabilitation necessary for continued use.	Ongoing	Through requirements and regulations within Section 10-4-9 (Site Plan Review) and 10-4-10 (Historic Buildings in the City), Staff processed the following number of Site Plan Reviews during the planning period for buildings within the City's historic districts as follows: -2021: two -2022: three -2023: eight -2024: five
Demolition Regulation	To conserve existing affordable housing opportunities and prevent the displacement of lower-income.	May-23	The City did not complete the identified Zoning Ordinance amendments requiring discretionary review for demolition permits. This amendment is anticipated in 2026-2027.
Public Safety	Enhance public safety for existing and new neighborhoods property due to climate, fire, and flood hazards.	Jan-23	The City continued to implement City Code Chapter 16, Hazardous Vegetation and Combustible Materials. The purpose of this Ordinance is to provide for the removal of hazardous vegetation and combustible materials situated within the City limits to reduce the potential for fire and to promote public safety and welfare of the community. The City is actively working to update the General Plan Safety Element.
Short-Term Rental Regulations	Adopt zoning amendment(s) to prohibit transient short-term rentals in residential zones and to allow them in commercial zones, and establish a regulatory framework and administrative process for compliance monitoring and enforcement.	March 2023 - Residential zone restrictions with allowance for owner-occupied residential allowance; commercial zone allowance June 2022.	Currently the General Plan, in Chapter II (Housing Element), Policy F ("To preserve existing affordable housing stock"), Policy F.5, identifies the need for zoning ordinance regulations that prohibit transient short-term rentals within residential zones unless the unit is owner occupied. The City completed an amendment of the Zoning Ordinance to prohibit transient short-term rentals (STR) in residential zones and to allow STR in the Highway Commercial (HWC), Commercial (C), and Central Business District (CBD) Zones. The amendments were adopted by City Council on July 12, 2022 by Ordinance No. 1710. On January 9, 2024, the City Council provided direction to the Development Services Department to review the ordinance for hosted short-term rentals within residential zones.
Housing Choice Voucher Program	Affirmatively further fair housing by ensuring continued access to Housing Choice Vouchers. Maintain at least the number of current HCV in the City to strive to increase voucher usage by 5 percent.	Support Housing Authority annually.	The City continued to support the El Dorado County Housing Authority's rental assistance program during the planning period.
Preservation of "At-Risk" Units	To preserve all 36 at-risk units to prevent the loss of affordable housing and displacement of lower-income residents.	Every three months of the planning period the City will monitor the assisted housing units at risk by contacting the property owner to determine whether there is a change in status or eligibility.	Staff monitored rental assisted housing units to determine if any units were at risk of converting to market-rate uses during the Planning Period. No conversions occurred.
Mobile Home Park Conversion	To preserve affordable housing stock and prevent the displacement of mobile home park residents.	2026	The City has two (2) mobile home parks, Hidden Springs and Washington Street Mobile Home Parks. No conversions to tenant ownership were requested or completed during the Planning Period.
Weatherization and Energy Conservation	Maintain and update educational materials on the City website in support of energy efficiency improvements on 5 homes per year.	Provide information at counter and on the City website by December 2023.	The City and El Dorado County participate in the PACE weatherization and energy conservation program. PACE information was provided at the Development Services Department counter during the Planning Period.
Energy Conservation for New Residential Development	Promote the use of energy-efficient construction.	Ongoing.	The City Building Division required over the Planning Period that all new residential construction must meet the State's energy efficiency requirements (Title 24). The Building Division reviews submitted building plans for conformance with Title 24 prior to issuance of a building permit to construct.
