Foothill community built on California's rich gold rich history."*

**City Manager's Report**  
**August 26, 2025, City Council Meeting**  
**Prepared By: Gregory P. Horsfall**  
**Reviewed By: Carole Kendrick**  
**Item: 15.3**

**Subject:** Development Services Department Monthly Statistics for June

---

**Recommendation:** Receive and file the report and provide staff with any comments or direction as deemed appropriate.

**Purpose:** To present the City Council and the public with monthly statistics on permitting activities and efforts within the Development Services Department for July 2025, serving as an indicator of departmental performance and local economic conditions.

**Discussion:** Attached are the detailed statistics for the Development Services Department's activities in July 2025, encompassing building and land use permitting, and revenue summaries for the Planning and Building. These figures provide a comprehensive overview of departmental operations and facilitate ongoing monitoring of activity levels, which reflect economic trends within the community.

  
 M. Cleve Morris, City Manager
