Wednesday May 8<sup>th</sup>, 2019  
6:00pm - 8:00pm

### El Dorado County Fairgrounds

#### Organ Room

100 Placerville Drive  
Placerville, CA 95667

For more information or questions please contact the City's Project Manager, Melissa McConnell at 530.642.5250

### Placerville Drive at Hangtown Creek Bridge Replacement

The purpose of the proposed project is to remove the existing functionally obsolete concrete bridge and replace it with a new concrete bridge designed to current structural and geometric standards that would provide adequate, reliable, and safe service for vehicular, bicycle, and pedestrian traffic

### Placerville Drive Bicycle & Pedestrian Facilities

The proposed project would establish continuous sidewalk and bicycle facilities along both sides of Placerville Drive between the US Highway 50 (US 50) and Armory Drive, and would establish sidewalk facilities along the north side of Green Valley Road between Placerville Drive and Mallard Lane.

### FUNDING

**Bridge Replacement:** Funded primarily by the federal-aid Highway Bridge Program (HBP) administered by the Federal Highway Administration (FHWA) through Caltrans Local Assistance.

**Bicycle & Pedestrian Facilities:** The proposed project is funded through Federal Congestion Mitigation and Air Quality (CMAQ) funds.
