

PLACERVILLE DRIVE PEDESTRIAN CONNECTIVITY PROJECT

CIP # 42337

CONSTRUCTION UPDATE #5

Week of October 17, 2025

Hi Everyone!

This is our weekly update to the community regarding the Placerville Drive Pedestrian Connectivity Project. Construction started on Friday September 19, 2025, and these updates will continue to be sent via email to any interested parties and posted on the City of Placerville's website to keep the community up to date on the status of this project. Thanks in advance for everyone's understanding and patience during construction.

Current Period

- Daytime work for the upcoming week will include **(weather dependent)**:
 - Continue with subgrade preparation and aggregate base placement for concrete operations
 - Form and pour driveways, curb, gutter and sidewalk
 - Grade and place asphalt for driveway conforms
 - Dig out and repair deteriorated roadway areas – west side of roadway
- **Businesses near the project site and their access will remain open during all stages of construction.**

Following Period

- **DAY WORK** – Daytime work operations will include **(weather dependent)**:
 - Continue with subgrade preparation, and aggregate base placement for concrete operations
 - Continue forming and pouring the curb, gutter, sidewalk and driveways
 - **NIGHT WORK** – Dig out at repair deteriorated roadway areas near the HWY 50 intersection and in front of driveways

Important Information

Traffic control measures will be in place to direct vehicles and pedestrians through the work areas, but there may be some minor delays. Traffic will be shifted to the east side of Placerville Drive as the Contractor works on the west side of the project. Anticipate moving traffic to the west side of Placerville Drive at the end of October.

Contacts

Dion Carr, Resident Engineer, Dewberry, (916) 276-4721, dcarr@dewberry.com

Melissa Savage, City Engineer, City of Placerville, (530) 642-5250, msavage@cityofplacerville.org
