## CONSTRUCTION UPDATE #14

Week of December 22, 2025

Hi Everyone!

This is our weekly update to the community regarding the Placerville Drive Pedestrian Connectivity Project. Construction started on Friday September 19, 2025, and these updates will continue to be sent via email to any interested parties and posted on the City of Placerville's website to keep the community up to date on the status of this project. Thanks in advance for everyone's understanding and patience during construction.

### Current Period

- No work operations planned for the upcoming week
- **Businesses near the project site and their access will remain open**

### Following Period

- **DAY WORK** – Daytime work operations will include (**weather dependent**):
  - A few long lead items will be completed in early 2026, but will have minimal impact to vehicular traffic on Placerville Drive
    - Install storm drain pipe lining
    - Install Radar Feedback Sign and Flashing Beacon System for the crosswalk

### Important Information

Minor traffic control measures will be in place during these future work operations to direct vehicles and pedestrians through the work areas.

### Contacts

Dion Carr, Resident Engineer, Dewberry, (916) 276-4721, [dcarr@dewberry.com](mailto:dcarr@dewberry.com)

Melissa Savage, City Engineer, City of Placerville, (530) 642-5250, [msavage@cityofplacerville.org](mailto:msavage@cityofplacerville.org)

*Please feel free to contact us directly with any questions or concerns.*

*Thank you!*
