For

Lower Main Street Asphalt Rehabilitation CIP No. 41910

City of Placerville, California

June 17, 2020

Description of Work: This project will consist of applying Type 2 Slurry per 2018 State Standard Specification 37-3 to the asphalt street surface to extend its usable life. This project is locally and state funded and is a prevailing wage project. The project location will begin where Main Street crosses under Hwy 50 on its western limit. The eastern limit will be past the intersection of Main Street and Spring Street, up to the intersection of Spring Street and Highway 50 at the southern crosswalk. The project contains an estimated 179,000 SF of roadway surface from the western side of the intersection of the of Main Street (HWY 49) and Spring Street, beyond the intersection of Main Street and Pacific Street (Hwy 49), and continues on Highway 49 up to the intersection of Sacramento Street/Pacific Street (Hwy 49). The eastern limit is at the intersection of Main Street and Sacramento Street, at the west side of the westernmost crosswalk. All roadway striping will be replaced with thermoplastic paint adhering to the State Standard Specifications. This is considered a roadway maintenance project in nature and is subject to local regulations, City of Placerville code and ordinances, including wage rates, civil rights, etc.

All responses will be in the form of written addenda to the Contract Documents and Plans. Inquires or questions about alleged patent ambiguity must be submitted as a bidder inquiry before bid opening. Bid inquiries must be received by 4:00 pm on the third (3rd) business day before bid opening. After this time, the City will not consider these questions as bid protests.

General Information: Bids must be on unit price basis. The amount of bid for comparison purposes will be the total sum based on unit prices. The Bidder shall set forth each unit basis item of work a unit price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Item Total" column shall be the product of the unit price bid and the estimated quantity for the item. In case of discrepancy between the item price and the total set forth for a unit basis item, the unit price shall prevail.

The work for which this proposal is submitted is for the construction in accordance with this document (including the payment of not less than the State general prevailing water rates), the Project Exhibit included, and in accordance with the 2018 California Department of Transportation Standard Plans and Standard Specifications, and the Labor Surcharge and Equipment Rental Rates in effect on the date the work is accomplished, and in accordance with the General Prevailing Wage rates.

By submission of this bid, Contractor acknowledges and accepts Business and Professions Code Section 7028.15 with Classification A and Public Contract Code Sections 7106, 10232, 10162 Questionnaire with the submitted answer of "no", and 10285.1 with no conviction within the preceding three years of any offenses referenced in that section. A bidder's bond and insurance certificate shall be provided as outlined in Sections 3, 5, 7 and 9 of the State Specifications.

Contractor's License Classification: In accordance with the Provisions of the California Public Contract Code Section 3300, bidders shall be properly licensed to perform the Work and shall possess a CLASS A license or equivalent combination of Classes required by the categories and type of Work described within the proposal.

Bonds: The successful bidder will be required to furnish, prior to performance of any work hereunder, a payment bond in the amount equal to one hundred percent (100%) of the contract price, and a faithful performance bond in the amount of equal to one hundred percent (100%) of the contract price. The bonds must be approved by the City. As a condition precedent to the completion of this contract, the contractor shall furnish a Warranty Bond, in a form acceptable to the City in an amount of one hundred percent (100%) of the total contract price plus change orders, to hold good for a period of one year after the completion and acceptance of the work, to protect the City against the results of defective materials, quality of work, and equipment during that time. This bond shall be delivered to the City before the final payment under this contract will be made.

Substitute Securities for Retention Moneys: In accordance with Part 5 (Section 22300), Division 2 of the Public Contract Code, a contractor may substitute securities for retention moneys withheld by a public agency to ensure performance under this contract. At the request and expense of the contractor, securities equivalent to the amount withheld shall be deposited with the City of Placerville, or with a state or federally chartered bank, as the escrow agent, who shall then pay such moneys to the contractor, and upon satisfactory completion of the contract, the securities shall be returned to the contractor.

Rejection and Protests of Bids: The City reserves the right to reject any or all bids or any parts thereof and waive any irregularities or informalities in any bid or in the bidding to the extent permitted by law and to make awards in all or part of the best interest of the City. No bidder may withdraw his bid for a period of twenty (20) calendar days after the date set for the bid opening. Bid protests must be submitted in writing to the attention of the City Clerk before 4:00 pm of the 5th calendar day following the bid opening.

Business License: The Contractor must comply with all of the requirements of the City Business License Ordinance, where applicable, before beginning work and through Contract Acceptance.

DIR Registration: Effective March 1, 2015, all contractors and subcontractors shall be registered with DIR pursuant to Labor Code Section 1725.5 to be qualified to bid on this project or to be listed as a subcontractor for this project pursuant to Public Contract Code Section 4104. Bidders will be required to submit proof of registration for themselves and all listed subcontractors prior to award of the contract.
