- 10.1. Site Plan Review (SPR) 22-02:** Consideration of a request to install a 40' x 8' x 9.5' sea-land shipping container for facility use. ENVIRONMENTAL DETERMINATION: California Environmental Quality Act Categorical Exemption, Section 15311. LOCATION: 399 Placerville Drive, Zone: C (Commercial). Staff: Kristen Hunter.

Associate Planner Hunter presented the staff report dated June 21, 2022 and answered questions of the Commission.

The applicant's representative, Susie Davies, answered questions of the Commission.

The applicant's engineer, Seth Nesbit, Warren Consulting Engineers answered questions of the Commission.

Motion by Commissioner Frenn, seconded by Commissioner Lepper, to approve SPR 22-02 with changes to the staff report as determined during Commission discussion and inclusion of Conditions of Approval #5 as recommended by staff and #6 added by the Commission; and to:

I. Adopt the Staff Report as part of the Public Record.

II. Make the following findings of fact in support of SPR 22-02 request:

- 1. The request is exempt from the California Environmental Quality Act (CEQA) per CEQA Guidelines Section 15311, which exempts projects involving construction or placement of minor structures accessory to existing commercial, industrial, or institutional facilities.*
- 2. The request is consistent and in harmony with the General Plan, in that it will continue to create conditions conducive to a convenient and desirable environment for customers and employees.*

III. Conditionally approve SPR 22-02 located at 399 Placerville Drive, APN 323-400-002, based on the project information and findings included in the Staff Report, and subject to the recommended Conditions of Approval.

- 1. The approved project consists of installation of a permanent 320 sf sea-land shipping container for facility storage use as shown on the approved site plan. Approval is based upon the analysis provided in Staff's June 21, 2022 report to the Planning Commission, and limited to compliance with the project description, the Applicant Submittal Package, and all other Conditions of Approval set forth herein.*

2. *The applicant shall submit a site plan detailing the screening required to be consistent with the City of Placerville Development Guide, which would visually block the container from the right-of-way (Placerville Drive), with landscaping subject to approval by Development Services.*
3. *The installation of the sea-land container shall be subject to issuance of a building permit from the City of Placerville's Building Division.*
4. *As the project is within a floodplain, the container is required to comply with City Code Construction Regulations, Title 4, Chapter 9 Flood Damage Protection.*
5. *The applicant shall show the locations of the existing 20-inch and 30 inch storm drain pipes on the site plan and construction plan to be submitted with the building permit application. The placement of storage container shall not be placed over the 30-inch storm drain pipe to allow for access and maintenance.*
6. *The color of the sea-land container shall be either concordant with that of the existing main building, or shall be painted in earth tone.*
