RE: Request for enforcement and prosecution of subjects loitering, trespassing and committing otherwise unlawful activity at

Dear Placerville Police Department,

I, we have been experiencing subjects loitering and trespassing on our property and I would like the assistance of the police department in addressing this matter. I request and authorize the Placerville Police Department and its agents to enter the property, affect arrest of any subjects committing any illegal activity on the property (including but, not limited to illegal camping, loitering, trespassing, possessing an open container of alcoholic beverage, etc.) and I wish the subjects prosecuted for those actions committed against me or my property. I have not given any person or persons permission to loiter, trespass, or camp on my property.

I welcome the Placerville Police Department to check the property for the criminal activity mentioned above, park on the property to author reports and/or conduct traffic enforcement on adjacent streets. I believe the presence of officers in the area may act as a deterrent to those committing criminal activity in and around my property.

If you have any questions or concerns or if a subject is arrested on my property and you require more information, please feel free to contact me via email at  
or at the phone number listed below.

Thank you for your assistance,
