Placerville, CA – *The Cowboy's Honor Ride has been cancelled by the event coordinator.*

The Cowboy's Honor Ride that was scheduled for November 23rd, 2019, in memory of Deputy Brian Ishmael was cancelled by the event coordinator Norman Nather. The Placerville Police Department supports the community in their time of grieving and healing during this tragedy and we encourage events that keep Deputy Ismael's memory in our hearts. We wish to extend our appreciation to Mr. Nather for his continued efforts to memorialize fallen officers in California. It is an honorable way to bring healing to a community.

The Placerville Police Department's priority is to keep our community safe. While we encourage events like the Cowboy's Honor Ride, the City of Placerville and the Placerville Police Department have a policy regarding special events that occur within the city limits. Each event is evaluated individually and public safety conditions are placed when necessary. The police department stands by this process to ensure that both the spectators and the participants are safe during the event.

We encourage our community to attend other events that are being held within our community. The members of the Placerville Police Department are continuing to heal and appreciate the community support. We honor Brian every day by keeping his memory alive.
