Aquatics Program Schedule: Mr. Lishman shared with the Commission as the Placerville Aquatic Center continues to work toward safely reopening during the COVID-19 pandemic, significant changes need to be made to the program calendar for Aquatics. The COVID-19 guidelines from the State specify that our pool capacity be decreased coinciding with continually changing State guidelines. In addition, our ability to hire staff has been seriously hampered due to cancelled Aquatics programming during the summer of 2020. Mr. Lishman shared the overall schedule of programs for the 2021 summer season. Mr. Lishman stated the schedule may be altered slightly, based on a possible future increase in staffing levels and potential changes to statewide programming guidelines. Mr. Lishman also shared with the commission that capacity numbers will be dependent on current State guidelines and that participants will be able to pre-register for our drop-in programs for specific days and times.

Lap Swimmers Arlene Jones, Mary Marks, and Jim Cahil all expressed their concern that the pool is not open long enough.

Mr. Vance made a motion to approve staff's recommendation of the program schedule for the Placerville Aquatics Center, effective June 5, 2021. Mrs. Becker 2nd the motion. Motion approved unanimously.
