

8.31.18

Dear Placerville City Council Members:

It has been another wonderful year at the Placerville Aquatic Center. Your continued support is much appreciated, although I did not see any of you at Lap Swims this summer!

As you know, lap swims are my personal favorite, but I could not help but notice the absolute joy of children and families at the Activity Pool, Birthday parties and public swim. To a person, the facility was clean and well-run, with well-trained, friendly supportive staff.

I'll be seeing you when Budget plans come up on your agenda, and I look forward to seeing you at your welcoming meetings.

Thank you again for a wonderful summer, a hot one for sure, and please consider the Placerville Aquatic Center in your deliberations.

Regards,  
Beth Fellman
