Dear Placerville City Council,

I was very disappointed to hear that the Burlesque Show had been canceled especially last minute, when these artists and shows have been scheduled way in advance. Why wait till last minute to cancel because one person didn't approve? If you don't like it, the answer is simple, don't go see it. I for one was really looking forward to seeing them perform. There are many forms of art. Thankfully I did get to see Westward Ho! Casey Ellis and Gavin Michael Sellers are hilarious and very talented. I have been watching them all thru high school drama at Studio 81. The arts council is lucky to have such talented people working hard to bring the arts to Placerville. Hats off to Gavin Michael Sellers and his Applecore Fringe Festival, he did an amazing job & thank you to all the artists for their amazing shows. I'm just really proud of

my grandson Casey Ellis, and his
friend Gavin Michael Sellers. These
are great young men working hard
to improve your community.

Sincerely,

Kathy Ellis
