WHEREAS, construction of the Park-N-Bus Phase II facility (CIP #40708) will be funded by and build in accordance with a Federal Transportation Administration Section 5309 grant; and

WHEREAS, the comments received were considered and mitigation measures have been incorporated in the Mitigated Negative Declaration mitigating any potential environmental effects to a point where no significant effects would occur with project implementation; and

NOW THEREFORE, BE IT RESOLVED, that the City Council of the City of Placerville does hereby:

1. Adopt the Mitigated Negative Declaration and Mitigation Monitoring Program prepared for this project pursuant to the provisions of the California Environmental Quality Act (CEQA) finding that there is no substantial evidence that the proposed project will have a significant effect on the environment and that the Mitigated Negative Declaration reflects the City Council's independent judgment and analysis; and
